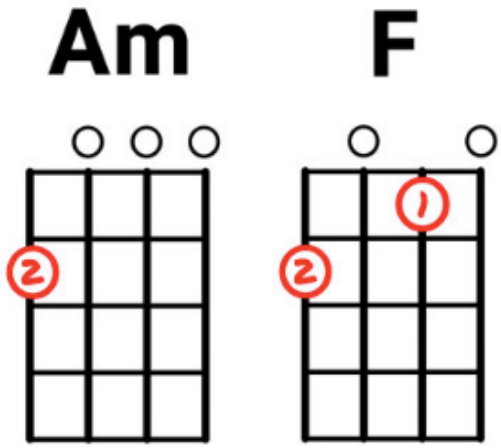
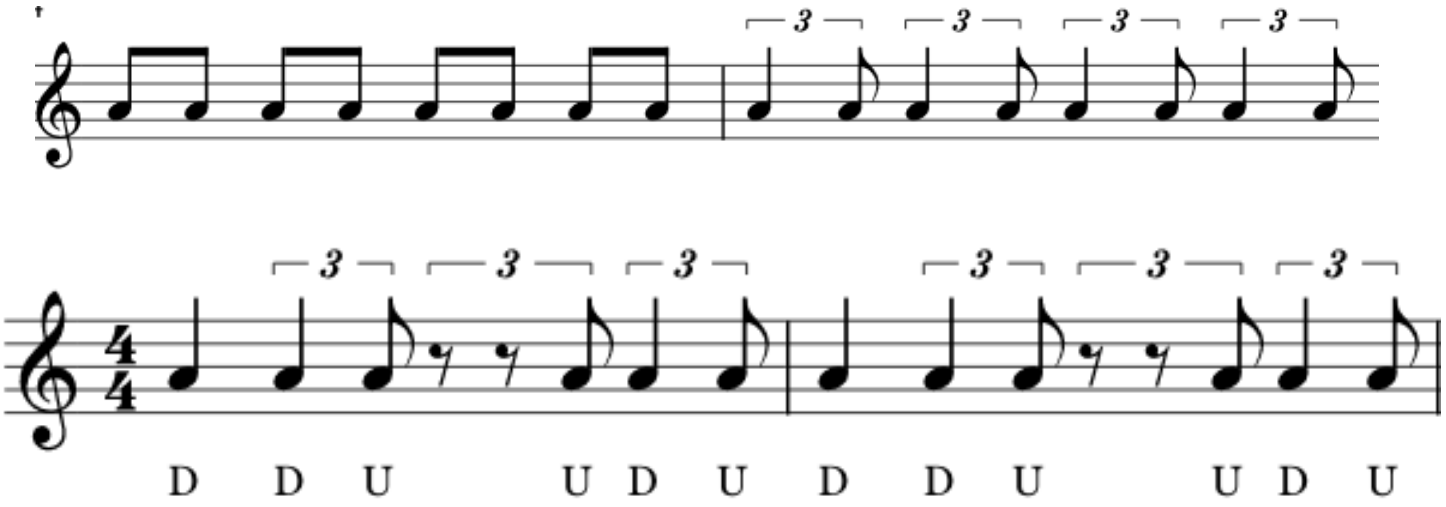
5th on E - Tune A

3rd on E - Tune G





```
[Verse]

C                    G
A long long time ago, there was a volcano.
F                        C            G
Living all alone, in the middle of the sea.
C                           G
He sat high above his bay, watching all the couples play,
F                  C             G
and wishing that, he had someone too.
C                                G                                F
And from his lava came this song of hope that he sang out-loud every day,
C             G
for years and years.

[Chorus]

F                  C
I have a dream I hope will come true,
     G                          C
that you're here with me and I'm here with you.
F                                C
I wish that the earth, sea, the sky up above
     F       G          C
will send me someone to lava.
```

Verse - **C / G / F / C / G (x3)**

Chorus - **F / C / G / C**

- F G / C / C

2 Years of singing all alone
Turned his lava into stone
Until he was on the brink of extinction
But little did he know
That living in the sea below
Another volcano
Was listening to his song
Everyday she heard his tune
Her lava grew and grew
Because she believed his song was meant for her
Now she was so ready to meet him above the sea
As he sang his song of hope for the last time
Chorus

3 Rising from the sea below
Stood a lovely volcano
Looking all around
But she could not see him
He tried to sing to let her know
That she was not there alone
But with no lava, his song was all gone
He filled the sea with his tears
Watched his dreams disappear
As she remembered what his song meant to her
Chorus

4 Oh they were so happy
To finally meet above the sea
All together now their lava grew and grew
No longer are they all alone
With Aloha as their new home
And when you go and visit them this is what they sing **Chorus**

Last Chorus
I have a dream I hope it will come true
That you will grow old with me, and I will grow old with you
We thank the earth, sea, and the sky we thank too
I lava you (x3)

"Wagon Wheel"

Headed down south to the land of the pines
I'm thumbin' my way to North Caroline
Starin' up the road
And pray to God I see headlights
I made it down the coast in seventeen hours
Pickin' me a bouquet of dogwood flowers
And I'm a-hopin' for Raleigh
I can see my baby tonight

All - **C / G / Am / F**
C / G / F / F

Chorus
So rock me mama like a wagon wheel
Rock me mama any way you feel
Hey mama rock me
Rock me mama like the wind and the rain
Rock me mama like a south-bound train
Hey mama rock me

Runnin' from the cold up in New England
I was born to be a fiddler in an old-time string band
My baby plays the guitar
I pick a banjo now
Oh, the North country winters keep a-gettin' me
And I lost my money playin' poker so I had to up and leave
But I ain't a-turnin' back
To livin' that old life no more

Walkin' due south out of Roanoke
I caught a trucker out of Philly
Shared a nice long joke
But he's a-headed west from the Cumberland Gap
To Johnson City, Tennessee
And I gotta get a move on before the sun
I hear my baby callin' my name
And I know that she's the only one
And if I die in Raleigh
At least I will die free
